Type: Full-time, Cycle position through November, 2026

Department; Reports to: Communications; Director for Digital Partnerships & Creative

Compensation: Starting at \$6,500/mo (higher based on experience)

**Overview:** Minnesotans for Klobuchar is hiring a full time videographer who will play a key role in turning the campaign's vision into compelling organic-first videos and collecting a wide range of content directly from Minnesotans. We're looking for someone who can shoot, edit and produce a constant stream of sharp, unfiltered video to power a simple narrative. You will be able to turn real moments into compelling, social-first and paid-ready video (fast!).

This role sits at the intersection of press, digital, and paid media. You'll capture everything from major events to small-town conversations and deliver same-day clips, next-day edits, and narrative pieces that define the race. If you want to join an exceptional team and can move fast, think like a storyteller, and operate in high-pressure political environments, this role is for you.

You must be able to capture the voice of the campaign and connect it to a variety of audiences across Minnesota. You will be an ambassador for the campaign and have direct engagement with Minnesotans. The ideal candidate is quick on their feet, a creative problem solver, cares about politics as a means to improve people's lives, and is excited to join us for a fast-paced campaign built to win.

### Key Responsibilities:

- Film high-quality, emotionally resonant footage showing who Amy is and who she's fighting for

- Identify and capture real voter stories and local voices that make the stakes clear
- Film interviews, testimonials, and on-the-ground context that can be used in paid media
- Build a steady pipeline of footage for ads, fundraising, and persuasion content
- Support press and rapid response needs with b-roll and quick-turn clips
- Organize and upload footage to a shared media library
- Support the Comms and Advance teams by scouting sites and assisting with production
- Track the approval and edit of all organic video materials
- Assist Research and Communications on specific video needs as able

- Help identify unique opportunities for engagement that fits the brand of the campaign
- Perform other political and campaign-related duties as assigned

**Qualifications:**

- 2-6+ years shooting and editing video in campaigns, documentary, news, or fast-paced field environments

- Strong editing ability in Adobe Suite (Premiere, Audition) preferred
- Proficiency with other tools (After Effects, DaVinci Resolve and Descript) a plus
- Clean audio capture, lighting basics, and run-and-gun setups
- Ability to deliver in multiple aspect ratios and captioned formats
- Comfortable engaging with a wide range of supporters and community leaders across a range of backgrounds, including non-political spaces. Able to meet people where they are
- Commitment to the mission and values of the campaign – to bring people together and improve the lives of Minnesotans
- Based in Minnesota or willing to relocate for the duration of the campaign

**Desired Attributes:**

- An eagerness to learn more about communities in Minnesota
